SYNOPSIS

Two notorious assassins, Fix and Eight-Fingers, have joined forces in Hong Kong. They have already killed ten agents of the American Commando Force. It is now the mission of top American Commandos Aaron and Ned to put them out of commission.

Drawn into an insidious web of gangland corruption and violence, Aaron and Ned must use their wits and deadly force to work their way to their targets. Seeing their best friends and even innocent women brutally destroyed adds agony and urgency to their quest.

To complicate matters, Eight-Fingers' true identity is unknown until Ned finally manages to unravel the mystery. With the aid of an underground ally, Sung Chung, he finally kills Eight-Finger. Fix proves to be an even more deadly foe, even killing Aaron's superior Burton, but in a furious final fight, Aaron kills Fix.
