They like the jungle best. Its darkness. Its savage justice. They are the Brave Platoon.

Covert operations in the heart of darkness.

The KGB officer Vlasnikov has been sent on a covert mission to support the local communist rebels, by secretly supplying arms and by training and coordinating the various rebel factions. His presence in the region is discovered by the U.S. intelligence, the "American Force" consisting of supreme commandos Randy Nolan, Billy "the Kid" Lee, and Edward "Duke" Robertson.

When the American Force successfully foil one of the Vlasnikov's weapons deal, Vlasnikov retaliates by killing the local villagers and hopes to drive the American Force out in the open where he can kill them.

Meanwhile the rebel movement has been severely weakened by factional rivalries. Local army commander Captain Abelon takes advantage of the situation and mounts a major assault on the rebels.

Vlasnikov's planned to draw out the American Force works, but not with the results he has anticipated. Vlasnikov and his team are destroyed. Freedom is restored to the people.
