## SYNOPSIS

**THEY DESTROY  
LIKE AN EVIL DISEASE.**

**THE AGENTS OF  
DESTRUCTION ARE THE  
UNSEEN ENEMY WITHIN.**

The People's Freedom Army is a loosely knit army of Southeast Asian patriots determined to protect their country from the communist threat. To ensure that their goals remain righteous, the American is sent in to coordinate surveillance. They enlist Alexander Samson to infiltrate the group. Due to his skill and bravery, Alexander soon attains the rank of commander.

A subversive terrorist leader named Roman Victor is trying to manipulate the PFA for his own evil purposes. He and his men fight desperately to destroy the American Force. Although Victor and his men are superior in number, they are defeated by the fighting skills of the American Force in battle after battle until finally even Victor himself is killed.

At the same time, Alexander succeeds in killing off Victor's subversive agents within the PFA, thus maintaining its integrity.
