## SYNOPSIS

During the Vietnam war, Torosky and his band of terrorists join forces with the communists in exchange for weapon supplies. In a desperate attempt to gain the upper hand in the war, the South – Viet guerrilla force led by Commander Yao began a long journey to the enemy camp for a surprise attack. Assisted by the American army, Commander Yao's force wins many battles, but their surprise attack becomes known to the enemy and goes in for an explosive all out attack.

However the harsh reality of the Vietnam War becomes unbearable for the American soldiers. To squad leader Merlin and private first class Bill, the war has become so meaningless that they ceased to care anymore. After seeing more and more of their friends die, they decided to desert. Their friendship grows as they rely on each other to survive in the dangerous Vietnam jungles.

But they soon find out that there is no sanctuary in the jungles. Torosky's men catch up with them and Merlin is captured. Bill goes on his own to attempt a rescue. At the same time, a small American team led by Major Max also arrives at Torosky's headquarter. An explosive battle breaks out between the terrorists and the Americans. Torosky and his men are all killed at the end, but Bill also gives his life in the battle.
