SYNOPSIS

Beauty, gentility and elegance are treasures of a blossomed girl. Photographer is supposed to be the one who is apt to cultivate these treasures. There is an unscrupulous photographer called Vaughan who duped a group of naive and young girls to work for him. But Vaughan and his banditti are only interested in getting the girls to take up the oldest profession.

Many young girls are missing every now and then. They are taken to a secret hideaway, more than a prisoners' camp where they are brutally treated both physically, psychologically and sexually. The camp is being operated by Mr. X.

Prostitution is a big business but a big problem. The police put one of their best detectives Joey on the job. When Joey is tracking up a pimp, he is captured. The gang torture him and leave him for dead.

Meanwhile in the camp, the girls vow revenge when one of the victims is killed. Jenny, Rose and Petty lead a riot and start the greatest escape, during which, many gangsters are killed but Vaughan disappears.

Mr. X, now in great anger determines to eliminate all his opponents. A series of brutal murders are seen everywhere. Vaughan is at the brink of death, he prefers a trial rather than going to hell. He co-operates with the ANGELS WITH GOLDEN GUNS.

Hell has no fury like a woman scorned. Vengeance is sweet for the girls.
