SYNOPSIS

**IT'S A HELLHOLE.
A PRISON OF NO RETURN.
ESCAPE IS THE ONLY WAY TO SURVIVE.**

Barton, the head of a prison for political dissidents, represents the oppressive central government of a Southeast Asian country. With the capture of Larry Rourke, leader of the resistance, opposition to the government will be effectively stopped. A government mole, Guy, has been instructed to gain the trust of fellow prisoner, Gordon, who is second in command to Rourke. They plan to escape from the hellhole prison with the help of other prisoner leaders Roger and Jack. They are joined by Ingrid who escapes from the women's section.

Now the hunt is on with heavy loss of life on all sides. Still it is Guy's plan to be led to Rourke's headquarters and then alert Barton's forces. On the way they are joined by the Full Moon Alliance, an anti-government cult. Factions begin to develop among the fleeing resistance, with more than half of their number being killed as greed and the lust for power take their toll.

Gordon and Guy finally make it to resistance headquarters where they are greeted by tough rebel Hilda, and Rourke himself. Guy signals Barton and his minions who swoop upon the rebel headquarters. In the ensuing battle, the government forces are vanquished and the resistance lives on.
