SYNOPSIS

Billy is a fighter and decides to fight against the bullies and the evil Ninja gangs that are harassing his family.

The evil Ninja gangs begin a spree of hideous crimes. No one can stop them. The second in command of the evil Ninjas, the Red Devil, wants Billy and his family dead.

After a series of brutal consequences, Billy is the sole survivor. Revenge oozes through every pore of Billy's body. He must stop the evil Ninjas, the Red Devil and their supreme master.

Mark, a police officer, befriends Billy warning him to leave revenge in the hands of the police. Unknown to Billy, Mark is also a Ninja, but with good in his heart. Mark knows, "Only a Ninja can defeat another Ninja". Mark plans to get to the Red Devil's leader with Billy's help.

Meanwhile Billy, stubborn as always, runs off to find martial-arts experts in the forest, wanting to improve his technique and power.

There are a lot of confrontations between the good Ninjas and the evil Ninjas. Mythical Ninja power and teachings shall prevail.
