Devil's Gate is a company of Bandits in the north. Its master Tinfeng is ambitious to be the leader through out the land. The good guys in the south send their leader Pak to the north to invite Master Hawk to destroy the evils.

Tinfeng orders his men, the Powerful Lions, to stop Pak. While Pak is in danger, his son-in-law, Dragon appears to save Pak and helps him continue his mission. Angry Tinfeng again leads his men to block them. With his marvelous techniques and tricks, he makes Dragon lose his leg and captures Pak as well.

Dragon is rescued by Pak's daughter, Bin Bin, who loves Dragon very much. She makes an iron leg for Dragon and encourages him to carry on his martial arts studies. Lucky Dragon, by chance learns the powerful 18 kicks that have vanished for centuries. When he gains all the techniques, he starts his way to challenge the evil spirit.
