SYNOPSIS

David, an up-coming young master of Ninjitsu, is recruited by his master to steal the formula for a bacteriological weapon and to free the scientist who has developed the evil weapon. He is pitted against two wily opponents: Mark, a KGB operative, and Martin, who claim to be kidnapping Tanaka, the scientist destroying millions of lives through bacteria experimentation during WWII.

Soon, David teams up with Larry who inadvertently saved Mark from David's attack. Once David explains the danger of the formula, the two battles their way through a seemingly endless string of thugs. In the process, they reveal Mark's lot: same as Martin, he is also an evil man bent on world domination.

David and Larry together with Mark's "nieces", Becky and Brenda, combat with Mark and Martin and their respective beives of cutthroats in a final acrobatic battle. The fate of man now comes to the hand of these four youngsters.
