## SYNOPSIS

Three friends, Tony, Albert and Martin, are common thieves who rob graves for a living. Albert is killed by a mysterious force from under the ground, leaving Tony and Martin, who meet up with Lily and her sister Fanny.

People are being terrorised by Black Dragon, who is highly skilled in black magic - and is a type of vampire, who requires a regular diet of blood from young virgins. Black Dragon is trying to obtain the Shaolin Sorcery Martial Arts Book from the master who owns it. The master is an old man who lives in isolation in a cave.

It just so happens that Tony, unknown to himself, has magical power which, if trained, can overcome Black Dragon. Black Dragon kills Lily, leaving only Fanny alive, Tony becomes Masher's student. He and Fanny face a terrifying and sadistic ordeal before Tony is able to slay Black Dragon.

The horror roused by Black Dragon's evil is overcome by Tony's daring and amazing expertise.
