## S Y N O P S I S

Sammy goes into hiding when he loses the diamonds belonging to the gang leader Sit. Sammy's friend Dragon Yung, an expert martial artist, returns from the States to help him. Hang, himself an expert Kung Fu fighter, decides to help Sammy recover the diamonds.

In the course of their investigation, they discover that Sammy was framed by Tin who stole the diamonds. Tin tries to silence Sammy but fails as Lee and Hang come to his aid.

Sit devises a way to catch Tin by setting up a false buy between Tin and a French. But the unexpected happens as both Sit and Tin are killed by Wah, who works for Sit.

In truth, the whole thing is orchestrated by Ko in an attempt to take over Sit's gang and to steal the diamonds. To weed out any possible loose ends, Ko kills Wah in cold blood.

At the end, Sammy, Lee and Hang come face to face with Ko in an explosive battle. But Ko's skill prove too much for them to handle. Just as the fight seems doomed, Dragon Yung shows up and defeats Ko with his exceptional fighting skill.
