*The old vs new, tradition vs innovation where winning is not everything
but the triumph of self-sacrifice, brotherly love and goodwill
towards all that creates a true martial artist.*

*Bruce Lee is great. Dragon is greater!
Blessed with the legendary power,
Dragon will be the greatest.*

Synopsis

SHANEY, a newly hired junior computer game programmer, has just installed the latest computer game "Paper Soccer," the new "Angry" 2 week game for "The King of Incredible First" Confirms a sharp competition with COLHAY'S "Deviant First" and MICA'S "That Boxing".

Shaney romances with Lilyway in heating up. The computer game program has been mysteriously stolen. Shaney and his younger brother are kidnapped. Following SHAN and KING ARAZHO, a investigator of computer software, are undergoing a conspiracy.

Colhays threatens Shaney to withdraw from the championship. Colhays's legend also comes to Shaney to ask the help and confirms that he has stolen MICA's software because he wants Colhays a lot of money. Shaney and the others threaten not to let him go with them.

The challenge between Shaney the Master and Colhays and their things become inevitable. The legend of the dragon will proceed...
