## SYNOPSIS

In the House of the Absolutes Kung Fu institute, an ambitious fighter named Siu is plotting to gain control from his master Kiu Tai, in order to get the secret book of Invincible Snake Fist.

But Siu has the competition from a fellow student called Lam, a straight and aggressive young man who is favored by the master's daughter – called Min.

Meanwhile 3 evil fighters called the immortal Trio arrive from the south looking for the secret book. In their quest they murder one of the schoolteachers, the Mysterious Fisherman and terrorize the local people.

Siu manages to get Lam into so much trouble with his master that eventually Lam is thrown out of the school. With the opposition out of the way, Siu now warns his master that he will kill his daughter unless he gives him the book.

Refused by the master, a fight ensues during which the Immortal Trio arrive on the scene, kill the master and take Min and Siu as prisoners. Luckily, Min manages to escape.

The eldest master, nicknamed the Beggar is next in the line in the Trio's search of the book. This great Kung-fu master by chance runs into Min and Lam and teaches them Kung fu.

One day, while Lam is out looking for Min, he encounters Siu who tries to kill him but instead he himself is stained. Meanwhile, one of the Trio comes looking for the book and kills the Beggar in a bloody fight. Lam returns to take revenge and kills the evil.

Finally, our hero invites the rest of the devils to settle the matter once and for all. In a final desperate duel Lam and Min team up and win their long and bitter struggle against injustice.
