SYNOPSIS

1945, Japan foresees defeat in the war.

It is the last chance to rob and seize whatever they can in Chinese territories still under their occupation.

Meanwhile, the anti-Japanese society "MOBILE NATION" is getting more active than ever under the leadership of Chang Tung, who risks himself by disguising as pro-Japanese.

Yashido, an expertise Japanese intelligence agent, is on mission to clear out the "Mobile Nation". Chang Tung is among the pro-Japanese at the reception party for Yashido. He has given instruction to assassinate Yashido. The conspiracy ends up with Yashido unhurt but the capture of several "Mobile Nation" members.

Chang, in order to gain trust of Yashido, even sacrifices his brother-in-law whom Yashido suspects.

Chang's wife, Wai Ying knowing nothing of her husband's activities, begs Yashido to set her brother free. Yashido would only agree to do so if the leaders of the "Mobile Nation" are arrested.

Chang's comrades, Yan Mo and So Dun are fleeing from the deadly chase of Yashido's men. Wai Ying knows their whereabouts and tells Yashido.

Yashido brings his men for a showdown with the "Mobile Nation". However, with Yan Mo and So Dun, Wai Ying is shocked to find her husband, Chang, fighting on the side of his comrades.

This is a fast-paced explosive kung-fu actioner!
