**SYNOPSIS**

In the early days of the war of resistance against the foreign power invasion, Wu is captured and most of his family members are brutally murdered, Wu swears to seek revenge. He tracks down the murderers one by one. On his way, he falls in love with Sinna who begs him to give up and to forgive. Wu insists to battle against the bandits until he rescues his son.

When he completes his revenge, the police come and arrest him. Sinna offers her passion to take care of his son and wait for his release.
