Infra-whistle against ultra-paragon, there came an endless ambush.

SYNOPSIS

Police inspector Jackson and his girlfriend Carol accidentally find themselves in the inner sanctum of temple where they are attacked by the invincible Golden Mannequins. They spy a monk in the act of creating another Mannequin. The monk controls the Mannequins by an infra-whistle. Rudolf the temple disciple steals the whistle and has the Golden Mannequins committed to a series of robberies. Jackson soon realizes the police bullets are powerless to fight against them unless the eldest Abbot's ultra-paragon is to be brought around. It is Carol's turn to persuade Abbot to sacrifice his valuable treasure.
