SYNOPSIS

China in the early thirties. Tanaka, head of the Japanese secret agents, joins forces with a corrupted gentry Wu. They come up with a plot to take over the cool mines which will help them establish power in Manchuria.

Yum, a skilled martial artist, secretly organizes the 'Patriotic Dragons' to fight against the Japanese. Tanaka becomes furious and orders Wu to find out who the head members are and then systematically annihilate them.

Yum sends his cousin Choi to infiltrate the enemy's organization by posing her as a maid in Tanaka's house. She is successful in leaking out vital information to Yum.

But soon Choi's identity is discovered. Tanaka overpowers her and proceeds to take her against her will. Just then Yum fights his way through the guards to rescue Choi. Face to face with Tanaka, Yum uses his fighting skill to battle against Tanaka's lethal Karate. After a fierce fight, Yum wins but suffers a lot of injuries.
