SYNOPSIS

Donald and George, the two Interpol agents, are on the trail to smash up an international diamond smuggling gang led by Morris with his henchmen Robert and Larry.

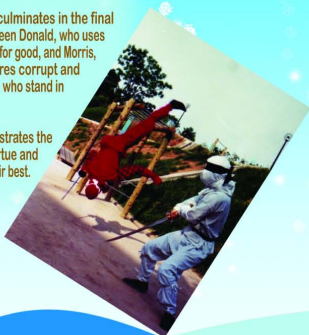

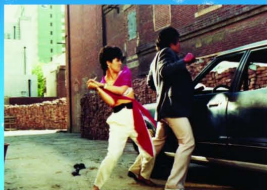

Morris, beset with dissension from within his own organization, uses his evil Ninja powers to overcome the betrayal by the greedy Robert.

Larry furthers his evil intentions by marrying her daughter, Jenny, to George, thus enabling him to infiltrate the Interpol operation. He tries to win George's affection for his daughter by arranging a brutal gang rape of George's true love Rose.

Rose, however, swears revenge and begins to systematically destroy the rapists. Donald persuades George to get rid of Larry.

Confrontation culminates in the final showdown between Donald, who uses his Ninja powers for good, and Morris, whose evil desires corrupt and destroy all those who stand in his way.

The duel demonstrates the ancient Ninja virtue and techniques at their best.
