SYNOPSIS

In the Ninja Empire, there exists a secret code. Any member, who disobeys any single rule, will be expelled from the Empire forever. This is the story of those men and women who break this sacred code.

Ivan the Red, a power-hungry Ninja warrior, wants to control the Empire. He brutally kills his Master and challenges the loyal Ninja Gordon. But the laws of justice and honor prevail as Ivan the Red meets his death in their final explosive duel.

When Rodney and Janet are cast from their society for becoming lovers, tragedy befalls their lives for they chose to enjoy the evils of a decadent lifestyle. Without Janet knowing, Rodney is put in prison for many years and leaves Janet and their son to fend for themselves.

When Janet is critically burned in a fire by saving her child's life, her face is permanently scarred. She selflessly hides her identity from her son as not to cause him embarrassment. Many painful and troubled years go by when at last the family is fatefully reunited in a heart-warming and dramatic conclusion.
