SYNOPSIS

Hostilities have broken out on the Thai border with Cambodia. A group of Cambodian rebels are after a lucrative emerald mine in order to finance the dream of their leader, Michael an ex-green Beret Vietnam veteran. A Ninja champion, Michael trains his rebels to create a powerful army who will stop at nothing to gain power for their traitorous and evil master.

Realizing the difficulty of dealing with a mad Ninja champion, the Thai military enlist the aid of their American allies, who send them Byron. Byron, also an Ex-green Beret Ninja champion, uses his Ninja powers to combat those who misuse theirs. Byron implements a plan and with the help of an undercover agent Chester begins their assault on Michael with the aim to smash his syndicate of terror and destruction.

However, nothing is simple when wealth and power are the goals. It seems there are others with designs on the emerald mine. Besides the rightful owners, Julie and her mother, they're general manager, Paul and his seductress Mary, a corrupt military officer, Harold, and his gang, all battle for possession.
