## SYNOPSIS

A high-action film is set in the Great Shanghai. The story concerns two rival gangs, the Furious Fox and the Black Eagle, each headed by a powerful foreign tycoon and both trying to establish their domination in this lucrative territory.

Paul Redford assisted by Fox Chan heads the Furious Fox while Gordon Richardson with the aid of Ronald Lung masterminds the Black Eagle. Both foreigners are Ninjas of the ancient secret society.

Redford decides to make a play for Richardson's territory so arranges Lung's murder in order that Tiger Kwok, who is Lung's man but secretly in league with Fox Chan, can assume control.

The plan fails because, unforeseen, Lung's daughter Phoenix steps in and takes command. Richardson sends in his right-hand man Dragon Lee to help her restructure her gang.

Tiger and Fox plan to destroy the Black Eagle's main casino but the plan is foiled by a spy, Uncle Ho, who is then murdered.

Redford then asks fox to kill Tiger so he can deal directly with Phoenix, but instead Dragon helps her kill Fox.

Then Tiger's true motivation is revealed and he commits suicide.

In a dramatic climax we see the two Ninjas fight a brilliant and dramatic battle of strength, skill and determination.

*Ninja's way is the only way to survive!*
