SYNOPSIS

Gordon needs help! Stuart and his Purple Ninjas are on the rampage! Killing after Killing, they are mercilessly moving forward to control the whole area. Their latest plot is to assassinate Senator Lamb, and after which they will put in a puppet figure Senator Cuba in order to create an important base for their operations headed by Miss Littleton!

Gordon knows that the only way to defeat Stuart is to go through their Ninja Laws. Not to mention the time and danger involved, he must face all Stuart's own personally trained Ninjas, then Stuart himself. That is where he needs David.

David, in the meantime, must be trusted to defeat Miss Littleton on time before the election and to save Senator Lamb and secure the area to have freedom and justice.

Can David escape from the traps of the vixen Miss Littleton and her girls? This exciting plot is a thriller right to the end.
