**SYNOPSIS** This is the story of Gordon, the highest Ninja master and his disciple, Billy, who must confront the evils invading their lives.

After 10 years of Ninja training, Billy returns home to find out his family being tortured by the gangsters who want to take possession of their home. He knows that the power he has learned must be carefully controlled. But when these villains kill his mother and kidnap and torture his sister, he can no longer hide his powerful fighting ability. His girlfriend tries in vain to persuade him to seek for the police help, but he is blinded by the rage and revenge. In a battle, he tries single-handedly to defeat his enemies.

Gordon is battling another war. Ivan the Red, a greedy, power-hungry Ninja, has broken the sacred code of the Ninjas and is determined to take control of the Empire. His plan is to kill Billy and the Ninjas one by one.

Gordon faces Ivan the Red in a final showdown for power. An explosive and grueling duel ensues that determines the fate of the Ninja Empire.
