Evergreen Liu, a rich man, holds a martial-arts competition for selecting a Champion who can marry his beautiful daughter Susan. Dragon Kong, a Kung-Fu Expert, and defeats his rivals and gets ready for the marriage with Susan who suddenly disappears.

Dragon is on mission to pursue the whereabouts of his bride-to-be. On the way, Dragon is bewildered by the several attacks of a stranger, a Kung-Fu specialist and the intervention of a wonderful lady.

Upon investigation, Dragon discovers Susan is kidnapped by a Ninja Sect headed by Tiger So, a legendary super-foot whose henchmen are well trained in the techniques of Ninjitsu. The Ninja vanish in the water, hide in the trees; get into the ground and climb up the walls.

Actually, Tiger is Susan's father. Twenty years ago, in order to make his own daughter the heiress to the great fortune of Evergreen Liu, Tiger So cruelly conspired to abandon Susan outside Liu's house and let him bring her up. Thus, Tiger So has to prevent Dragon's marriage by kidnapping the bride.

In spite of all the difficulties and danger, Dragon intrudes into Tiger So's privacy after a series of fights with his Ninja henchmen.

The final showdown between Dragon and Tiger breaks out. While Dragon is nearly killed, the stranger, who attacked Dragon before, suddenly appears and joins hands with Dragon to attack Tiger who demonstrates his deadly super foot.

The two are badly hurt. When Tiger decides to kill them, the wonderful lady, who previously disturbed Dragon, arrives in time and makes Tiger shocked in watching her naked body. The two takes the chance to counterattack dizzy Tiger and eventually kill the villain.
