SYNOPSIS

Edward and Orlando are business partners. When Edward appropriates the company funds to finance his own illegal loan shark business, Orlando exposes Edward's shady dealings to the press. With his reputation seriously damaged, Edward swears to ruin Orlando's life in return.

Edward hires Tina to seduce Orlando into a relationship which will destroy his marriage to Julia. The plan works and the whole family is disrupted. Julia finds another lover, and finally ends up in a mental institution where she continues to contemplate suicide. Their daughter Eva, a model, breaks up with her photographer boyfriend, Roger, and goes from man to man hoping to ease her pain through sex.

Meanwhile, Eva's cousin Betsy has discovered Edward's plan and has been threatening to expose him as soon as she has hard evidence. To dissuade her, Edward first tries to rough her up and then tries to kill her boyfriend, Vito. Little does he know that Vito is a martial arts expert who has also taught Betsy how to fight. Edward has bitten off more than he can chew. When he finally kidnaps Betsy, Vito comes to the rescue, defeating all of Edward's men before he and Betsy together kill Edward.

From the ashes of ruin, Orlando's life is rebuilt. Crippled by his car crash, he accepts Julia's love, and Eva is reunited with Roger.
