SYNOPSIS

In the far reach of space, a new star evokes. At that very moment, a horrible roaring sweeps across the Universe. This sudden roaring, like a helpless howling, breaks the peace of the Universe.

Antarichi, a planet of peace and perfection, is overtaken by a greedy and ambitious bionic human being, Alfred. Opposing the belief of his creator Casiofia, he attempts to conquer the Universe. His first step is to destroy the City Orion.

Kanaan, King of the City Orion, is shocked by the sudden attempt of the new born star. He finds no way to combat so he send out his Super Speeder, a space fighting machine, to seek for help from his friendly neighbor, the Earth.

A fierce and bloody battle begins. With the reunion of Super Speeder of the Orion and Mazinga & of the Earth, and a group of brave young warriors, Alfred is finally defeated. The Central Motivating System of the bionic human is exploded and its colony is totally destroyed. City Orion is rebuilt and the Universe is back to peace. These are the hard work and merits of the brave young warriors – the Protectors of the Universe.
