## SYNOPSIS

Tai Ho is the mastermind crime boss of a nefarious extortion gang. He specializes in preying on helpless widows and lone survivors of wealthy businessmen who have recently died. Through intimidation, blackmail, and murder he gains control of the wills and estates of these grieving families.

Ray and Alison are a pair of private investigators and lovers into kinky sex and making a fast buck. They are almost broke when rich widow, Mary, walks into their lives asking for protection from Tai Ho's man Bruce and his team of thugs. Ray and Alison accept the job and Ray and Mary have an affair before she is brutally murdered in his bed. Now Ray is on the run from Bruce and the police, but Alison helps him despite her jealousy.

Meanwhile, Tai Ho's attempts to kill Pandora and collect her father's inheritance have been foiled by attacks from rival crime boss, Kurt, as well as rebellion from his trained killer/lover, Yvonne.

Finally, Yvonne and Pandora kill Kurt and Tai Ho, and Ray finishes Bruce and his men. Ray had managed to gain control of Mary's wealth and now decides to kill Alison. He discovers that she killed Mary and in an ironic twist, accidentally kills himself when one of his bullets goes astray. Alison is left alone, mourning her faithless lover.
