SYNOPSIS

Detective Mei, insurance investigator Steve and Mango who leads a ring of jewel thieves, were members of the same Golden Ninja Empire. The course of their lives become entangled with violent results.

Mango is not only trying to satisfy his lust for power by stealing jewels. He is certain that he can become the ultimate Ninja if only he can get the manual of the secret Ninja techniques once owned by his master. Knowing that either Mei or Steve have the manual, Mango and his men go after them.

Meanwhile, Steve is assigned to track down the jewel thieves. When he returns home that night, he finds one of Mango's men in bed with his wife. Enraged, he beats the man mercilessly. Thinking that he has killed the man, he flees in a panic and goes into hiding. The man in fact is not dead, but when he reports back to Mango, Mango kills him for his stupidity.

Steve seeks refuge in a house in a remote neighborhood, but discovers that a young divorcee, Cindy lives there alone. Little does he know that Cindy is Mei's ex-wife. Still angered by his own wife's infidelity, Steve beats Cindy and ties her up. Cindy, however, is happy to be there with him and hide him from the police. He drives away one of Mango's Ninja jewel thieves who has tracked him there. A passionate love affair develops between Steve and Cindy.

After defeating the last of Mango's thief-assassins, Steve delivers them to the police. He becomes a hero.

Meanwhile, Mei has been eliminating the rest of Mango's thugs one by one as they come after him. Finally, Mei and Mango meet in a final showdown. The Ninja tradition is saved.
