## SYNOPSIS

Chao-Kien is known as "The Invisible Thief". He earned his unenviable title by stealing the weapons of the best fighters. One day, he hears of a sword that is reputed to be the world's best. He decides to steal it from its owner, Ma Tien-Shan, the master of Devil Valley Lodge. In his attempt, he gets chased by the people of the Lodge but is saved by Wang Fung, who is searching for his wife's murderers. He discovers that the sword Chao has stolen is the same weapon used to kill his wife. He vows revenge. He gets attacked by Ma's three best fighters, who use the "Poisonous Needle" technique. Fortunately, Wang is cured by the daughter of the "Magic Doctor" Hsia-Fung. When fully recovered, he leaves his infant son in the girl's cave, and goes looking for Ma. He is captured and imprisoned, but "The Invisible Thief" saves him. To enter the Lodge he must pass the five deadly gates of gold, wood, water, fire and earth. He practices hard under the instruction of Master Wu Kok and then he is ready for the critical moment. The Invisible Thief also enters the final life-and-death battle, and sacrifices himself to help Wang. Wang eventually overcomes Ma. And is proclaimed the new Master of Devil Valley Lodge. He refuses the title, and returns home with his son and Hsia-Fung.
