## SYNOPSIS

The Hong Kong tycoon Tang Shih Hai dominates most of the business here. All of a sudden, a number of his high-ranking officials are assassinated.

Since Tang's only son Champ is a lazy guy and good for nothing, Tang decides to appoint Cheng as his general manager instead. Unexpectedly, Cheng is a member of the ICG (international Criminal Group).

Cheng's ambition is to take control of the whole organization. He appoints Chih An as a killer to murder Tang Shih Hai.

Meanwhile Champ falls into a trap and by mistake is imprisoned. Cheng fetches all Tang's wealth, properties and power as well.

Two years later, Champ is freed from jail and begins to search for the killer of his father but all in vain. After a big hardship, Champ pulls out Chih An so furiously. It is a tragedy Chih An has married Champ's sister. Desperate fights follow all the way.

When Chih An is dying, he tells Champ the truth and the whole conspiracy.

Champ is going to raid on Cheng. No one had the courage to stop him. At night in the warehouse the lazy-guy really wakes up. A proverb says, "Evil will be recompensed by evil".
