SYNOPSIS

The stars are finally in the right alignment for Satan to make his final assault on the souls of all mankind. All he needs to reign supreme is the awesome power contained in the Sacred Sword. For the last ten years, Master William and his son Falcon have been the keepers of the Sacred Sword. Now it is up to Satan's disciples to wrest it from their grip and take control.

The only other danger to Satan's plan is a little girl, Elaine, who is the inheritor of the capability to make the Sword do their bidding. Satan can assume any form, but his incarnation as a naked temptress is one of his most potent disguises. It is in this form that he instructs his minions to do their worst.

Among those under Satan's control are a group of child molesting kidnapers who extract ransoms from distraught parents and then, rather than return the children, summarily sacrifice them to Satan. Little Elaine is now in their clutches. Ex-private eye, Fanny, comes to her rescue, but ends up as a hostage as well.

When Satan raised ghouls and zombie from the dead to aid in his work, he didn't count on little dead Detsy. Her pure heart allows her to lead a band of kid zombies against Satan's command. They torment Elaine's and Fanny's captors until, disoriented, they are arrested by the police.

Meanwhile, Master William has been killed by Satan's pawn, Scorpion, but Falcon, with the aid of his new Master, Samson, battles his way through the powers of darkness until he reaches Satan himself. Satan has now taken the form of Falcon's father, and Falcon cannot defeat him. Samson, however, arrives in time and vanquishes Satan and mankind is saved.
