Ninja power
versus
Ninja magic

One survivor
One mission

SYNOPSIS A twenty year old feud between Roger, an evil tyrant, and Ronald, the benevolent village leader, leaves Ronald dead and Roger running the village with an evil menacing bunch of ruffians.

Ronald's three children have been split up and have now become young adults. Jimmy the eldest has been in constant training for 20 years to take revenge for his father and to regain his village and stop the rule of tyranny. His teacher David believes Jimmy is ready to take on his mission and sends him off to carry out justice.

Meanwhile an evil Ninja leader Victor has stolen the Black Ninja Warrior from Charles, the new leader of the Red Ninjas. Injured, Victor takes refuge at Roger's house in the village. The Red Ninjas must get the Black Ninja Warrior back and stop Victor from stealing the Golden Ninja Warrior. As Jimmy heads for the village to get Roger, Charles starts his quest to find and destroy Victor. Jimmy has doubts: will he take back the village, will he be re-united with his brother and sister and will he deal with Roger? But Charles is confident that his good Ninja powers will defeat the evil power. The final ending is a battle between good and evil right and wrong, Ninja clans and justice.
