## SYNOPSIS

Farris Beckman, the underworld kingpin, has Johnny Lo killed when Johnny decided to become a police informant. Afraid that Johnny's daughters might know something about his organization, he kidnaps Lily and orders Peter to watch over May. Peter must obey although May is his girlfriend and the conflict his mind strains their relationship.

Detective Jack Kelly is on the case, under orders to put a stop to Beck - Man, who tries many times unsuccessfully to kill Jack.

Jack has assigned undercover cop, Jimmy Wong to protect May. Jimmy and May fall in love and a vicious and destructive triangle develops between them and Peter.
