## SYNOPSIS

Tony West is a drug overlord on the rise. His thirst for power makes him want to be the new "king of the hill" in the illegal drug trade. West and his right hand man, Lau plan to take out the long time underworld kingpin Chang. During a drug deal with Chang that West had planned to make his move, the drugs are taken by two men with their minds on making some easy money. Eric and Mark. Now both West and Chang are out to recover the stolen drugs.

Meanwhile, West's organization has been successfully infiltrated by special agent, Brian. Brian's outside contact is Barbara, who is caught by West's men during one of the operations.

Chang finally catches Eric in his girlfriend Shirley's place. Chang's men start raping Shirley's friends in order to get Eric to talk. Eric is then taken to a mine where he says the drugs are hidden. There, Mark as well as Lau show up for a final showdown. Both Chang and Lau are killed in the battle, but Mark dies too. Finally Shirley shows up with the authorities. Eric repents and shows them that the drugs are in fact hidden in a stuffed animal he had given Shirley.

At West's headquarters, Brian is forced to reveal his identity when he tries to save Barbara. A bloody battle ensues and West dies at the hands of the two special agents.
