action sequences designer **RICHARD KO**

an Outstanding and Entertaining Film

SYNOPSIS

When special agent Frank is given a mission to infiltrate the British Mafia, he finds out that his childhood buddy, Raymond is in fact the adopted son of the British Godfather. The situation gets even hotter for Frank when he accidentally kills the Godfather. Just when Frank's life is in danger, Raymond comes and helps him to escape.

With the Godfather dead, Manida the Godfather takes over the organization. She enlists the help of her son Bruce to help her avenge the death of the Godfather.

Frank's partner Jack learns of the trouble Frank's in. But he is persuaded by his wife Linda from going to help him. However trouble finds its way to them as the Godmother finds out about Jack. Her hitmen are let loose and Linda is killed.

Jack goes on a rampage to get his revenge. He kills a corrupted inspector and then destroys many of the Godmother's men. Eager to please the Godmother, Bruce goes to destroy Jack. When he sees a car arriving he fires his Bazooka at it. But his action proves fatal as the Godmother, not Jack, was in the car. At the end Bruce is driven mad and kills Raymond, but he dies too as the Mafia turns on him.
